Central Virginia Iris Society cordially invites you to join us for the Region 4 Fall Meeting and Rebloom Show to be held October 4, 2025, in Glen Allen, Virginia. We have a full schedule of activities planned, featuring a rebloom show, plant auction, silent auction, and our esteemed speaker, Hugh Stout of Stout Gardens at Dancingtree, located in Oklahoma City, OK. Hugh will conduct a Garden Judges' Training session, as well!

Our location, Virginia Crossings Hotel and Conference Center, offers amenities including internet access, fitness center, a restaurant, and spa.

If you have time, you may want to visit the renowned Lewis Ginter Botanical Garden, 1800 Lakeside Avenue, Richmond, VA, only 9 minutes from the hotel. This garden offers year-round beauty on a historic property with more than 50 acres of spectacular gardens, dining, and shopping. A classical domed Conservatory is the only one of its kind in the mid-Atlantic. More than a dozen themed gardens include a Children's Garden, Rose Garden, Asian Valley, and Cherry Tree Walk.

We have reserved a block of rooms at a special group rate of \$138 through September 15. Please make your reservation directly with the hotel by calling (804) 727-1400 and mentioning American Iris Society Conference. The same rate will be available on Friday, October 3, for those arriving early. You can also make your reservations directly on-line by visiting:

Please bring your stalks for the Reblooming Show! We need three exhibitors and ten cultivars for a sanctioned show. No stalk is perfect, especially in the fall, so bring whatever you have to help us meet the minimum requirements! Also, please bring anything you would like to donate to the silent auction, as proceeds help to defray meeting costs...and any donations for the plant auction that benefits Region 4. (Iris as well as other types of plants are welcome!) If you are bringing plants for the plant auction, please send a list of what you are bringing to Anita Moran at [pilmore22@gmail.com](mailto:pilmore22@gmail.com) (pictures appreciated) so she can have a picture ready to show at the auction. It helps to know what you're bidding on!

**We look forward to your visit! Enjoy rebloom season with us and  
“Fall in Love with Irises – Again!”**
